## Author Index

### A

**Alley ST**, see **HARRIS MB**

### B

**Bedell G**. Daily life for eight urban gay men with HIV/AIDS, 54(2):197-206

**Berghmans KK**, see **CROWE TK**

**Borell L**, see **THAM K**

**Boston JR**, see **LIEBER SJ**

**Brown C**. Clinical interpretation of "A Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in Adults With Schizophrenia," 54(2):134-136

**Brown C**, see **REDICK AG**

**Brown CE**, see **HAMERA E**

**Brown SO**, see **HOEM MB**

**Buddenberg LA, Davis C**. Brief Report—Test-retest of the Purdue Pegboard Test, 54(5):555-558

**Bundy A**, see **OKIMOTO AM**

**Burton AW, Dancisak MJ**. Grip form and graphomotor control in preschool children, 54(1):9-17

### C

**Campbell A**, see **WILSON BN**

**Cara E**, see **SCHULTZ-KROHN W**

**Caretto V, Topolsky KF, Linkous CM, Lowman DK, Murphy SM**. Current parent education on infant feeding in the neonatal intensive care unit: The role of the occupational therapist, 54(1):59-64

**Case-Smith J**. Effects of occupational therapy services on fine motor and functional performance in preschool children, 54(4):372-380

**Cate Y, Richards L**. Relationship between performance on tests of basic visual functions and visual-perceptual processing in persons after brain injury, 54(3):326-334

**Cheng AS-K**. Use of early tactile stimulation in rehabilitation of digital nerve injuries, 54(2):159-165

**Chen-Sea M-J**. Validating the Draw-A-Man Test as a personal neglect test, 54(4):391-397

**Chow SMK**, see **TSENG MH**

**Clark GF**, see **ROYEN CB**

**Cohn E, Miller LJ, Tickle-Degnen L**. Parental hopes for therapy outcomes: Children with sensory modulation disorders, 54(1):36-43

**Colborn AP**, see **ROBERTSON SC**

**Cottrell RPE**. COTA education and professional development: A historical review, 54(4):407-412

**Cottrell RPE**. COTA to OTR: Factors influencing professional development, 54(4):413-420

**Crabtree J**, see **ROYEN CB**

**Crawford SG**, see **WILSON BN**

**Crepeau EB**, see **SIMMONS DC**

**Crowe TK, VanLeit B, Berghmans KK**. Mothers' perceptions of child care assistance: The impact of a child's disability, 54(1):52-58

### D

**Dancisak MJ**, see **BURTON AW**

**Davis C**, see **BUDDENBERG LA**

**Deitz J**, see **MELCHERT-MCKEARNAN K**

**Dewey D**, see **WILSON BN**

**Dijkers M**, see **KLOMPENHOUWER PJ**

**Duncan M**, see **ROYEN CB**

**Duncan-Myers AM, Huebner RA**. Relationship between choice and quality of life among residents in long-term-care facilities, 54(5):504-508

### E

**Emery LJ, Kalscheur JA**. Brief Report—Use of student-oriented learning outline in research education, 54(3):335-338

**Engel JM**, see **MELCHERT-MCKEARNAN K**

**Esdale S**, see **OLSON J**

### F

**Farber RS**. Mothers with disabilities: In their own voice, 54(3):260-268

**Farnworth L**. Time use and leisure occupations of young offenders, 54(3):315-325

**Fidler GS**. The Issue Is—Building the therapy model: Building our future, 54(1):99-101

**Firpi MI**. Letters to the Editor—Relevant issues from a Latin's perspective 54(4):445

**Francis-Connolly E**. Toward an understanding of mothering: A comparison of two motherhood stages, 54(3):281-289

**Fromuth DJ**, see **Holm MB**

### G

**Gardner EA**, see **JOHNSON DG**

**Gibson RW**, see **SCOGGIN AE**

**Gillen G**. Case Report—Improving activities of daily living performance in an adult with ataxia, 54(1):89-96

**Griswold LAS**. Brief Report—Debate as a teaching strategy, 54(4):427-428

**Gustavsson A**, see **THAM K**

### H

**Hafez A**. Letters to the Editor—Case management practice, 54(1):114-115 [AOTA's response, 54(1):115-116] [Correction, 54(3):338]

**Hamera E, Brown CE**. Developing a context-based performance measure for persons with schizophrenia: The Test of Grocery Shopping Skills, 54(1):20-25

**Hammond A**, see **KLOMPENHOUWER PJ**

**Hanson C**, see **SCOGGIN AE**

**Hanzlik J**, see **OKIMOTO AM**

**Harden RN**, see **PHILLIPS ME**

**Harkleroad A, Schirf D, Volpe J, Holm MB**. Critical pathway development: An integrative literature review, 54(2):148-154

**Harris MB, Alley ST**. Measuring knowledge of school-based occupational therapy, 54(2):189-196

**Hartman BA, Miller BK, Nelson DL**. Effects of hands-on occupation versus demonstration on children's recall memory, 54(5):477-483

**Hasselkus BR**. From the Desk of the Editor—Habits of the heart, 54(3):247-248

**Hasselkus BR**. From the Desk of the Editor—It was a very good year...or was it? 54(4):359-360

**Hasselkus BR**. From the Desk of the Editor—New offerings in AJOT®, 54(1):7

**Hasselkus BR**. From the Desk of the Editor—Reaching consensus, 54(2):127-128

Hasselkus BR. Thanks, kind colleagues, 54(1):8

Hasselkus BR. From the Desk of the Editor—What makes an editor groan, 54(5):455–456

Holm MB, Santangelo MA, Fromuth DJ, Brown SO, Walter H. Effectiveness of everyday occupations for changing client behaviors in a community living arrangement, 54(4):361–371

## ASSOCIATION, THE

Summary of Executive Board conference calls for August 25, October 4, and December 13, 1999, 54(4):439–440

Summary of Executive Board minutes, June 23–26, 1999, 54(4):437–438

Summary of Executive Board minutes, October 21–23, 1999, 54(4):438–439

**AUTHOR'S GUIDE,** 54(1):119–120

## BOOK REVIEWS

Activities: Reality and symbol, GS Fidler, B Velde, 54(3):350–351

Assistive products: An illustrated guide to technology, GC Kratz, MA Christenson, A Linquist, 54(2):229

Atlas of human anatomy (2nd ed.), F Netter, 54(3):347–349

Atlas of the visible male: Reverse engineering of the human body, VM Spitzer, DG Whitlock, 54(3):347–349

Caring for children with cerebral palsy: A team approach, JP Dormans, L Pellegrino, 54(1):108–111

Children and youth assisted by medical technology in educational settings: Guidelines for care (2nd ed.), S Porter, MM Haynie, T Bierle, TH Caldwell, JS Palfrey, 54(1):108–111

Children with cerebral palsy: A parent's guide (2nd ed.), E Gerals, 54(1):108–111

Choosing a wheelchair: A guide to optimal independence, G Karp, 54(1):106–108

Cognition and occupation in rehabilitation: Cognitive models for intervention in occupational therapy, N Katz, 54(4):446–447

Cognitive and perceptual dysfunction: A clinical-reasoning approach to evaluation and intervention, C Unsworth, 54(4):446–447

Delicate threads, D Staub, 54(1):108–111

Effective documentation for occupational therapy (2nd ed.), JD Acquaviva, 54(2):233

Ergonomics in health care and rehabilitation, VJB Rice, 54(5):561–563

Essentials of anatomy and physiology (3rd ed.), VC Scanlon, T Sanders, 54(3):347–349

Evaluation: Obtaining and interpreting data, J Hinojosa, P Kramer, 54(2):229–230

Fieldwork anthology: A classic research and practice collection, CR Privott, 54(2):230–231

Finding help when your child is struggling in school, LJ Greene, 54(1):108–111

Fine motor skills in children with Down syndrome, M Bruni, 54(1):108–111

Frames of reference for pediatric occupational therapy (2nd ed.), P Kramer, J Hinojosa, 54(5):561

Guide to teaching managed care, M Weinstein, 54(5):563–565

Handbook of neurologic rating scales, RM Herndon, 54(2):232–233

Healing dramas and clinical plots: The narrative structure of experience, C Mattingly, 54(2):227–229

Hollinshead's functional anatomy of the limbs and back (7th ed.), DB Jenkins, 54(3):347–349

Innovations in occupational therapy education (IOTE), PA Crist, 54(2):231

Making connections with others: A handbook on interpersonal practice, DA Davidson, SM Peloquin, 54(2):227–229

Managed care: What it is and how it works, W Knight, 54(5):563–565

Managed health care handbook series: Best practices in medical management, PR Kongstvedt, DW Plocher, 54(5):563–565

Manual wheelchair training guide, P Axelson, DY Chesney, J Minkel, A Perr, 54(1):106–108

McMinn's color atlas of human anatomy (4th ed.), P Abrahams, RT Hutchings, SC Marks, 54(3):347–349

Neuroscience for rehabilitation (2nd ed.), H Cohen, 54(3):350

Occupational therapy stories: Psychosocial interaction in practice, B Borg, MA Bruce, 54(2):227–229

- Rheumatologic rehabilitation series—Volume 5: Surgical rehabilitation, J Melvin, V Gall, 54(2):231–232
- Sourcebook of occupational rehabilitation, PM King, 54(5):561–563
- Spasticity management: Rehabilitation strategies, LA Preston, JS Hecht, 54(2):232
- Stroke rehabilitation: A function-based approach, G Gillen, A Burkhardt, 54(3):349–350
- Wheelchair evaluation: A practical guide, M Batavia, 54(1):106–108
- Wheelchair mobility: A handbook, C Croteau, 54(1):106–108
- Wheelchair selection and configuration, RA Cooper, 54(1):106–108
- Why is this job killing me? JB Kachuba, MA Newman, 54(5):561–563
- Wounded workers: The politics of musculoskeletal injuries, P Kome, 54(5):561–563
- You and your special child: A caregiver's guide to therapeutic play and basic child care, S Marsh, G Miller, 54(1):108–111

#### BRIEF REPORT

- Debate as a teaching strategy, LAS Griswold, 54(4):427–428
- Effects of billing Medicaid for occupational therapy services in the schools: A pilot study, CB Royeen, M Duncan, J Crabtree, J Richards, GF Clark
- Supervisory preparedness of occupational therapists, DG Johnson, D Lamere-Wallace, E Gardner, 54(1):97–98
- Test–retest reliability of the Purdue pegboard test, LA Buddenberg, C Davis, 54(5):555–558
- Use of the student-oriented learning outline in research education, LJ Emery, JA Kalscheur, 54(3):335–338

#### CASE REPORT

- Improving activities of daily living performance in an adult with ataxia, G Gillen, 54(1):89–96
- Occupational therapy in early intervention: Applying concepts from infant mental health, W Schultz-Krohn, E Cara, 54(5):550–554
- Use of nerve blocks in conjunction with occupational therapy for complex regional pain syndrome type I, ME Phillips, JA Katz, RN Harden, 54(5):544–549

#### CORRECTIONS

- Corrections to AOTA official documents [previously published 53(6)], 54(2):235
- Letters to the Editor—Case management practice, A Hafez [previously published 52(1):114–115], 54(3):338

#### EDITORIAL

- New offerings in *AJOT*®, BR Hasselkus, 54(1):7
- Habits of the heart, BR Hasselkus, 54(3):247–248
- It was a very good year...or was it? BR Hasselkus, 54(4):359–360
- Reaching consensus, BR Hasselkus, 54(2):127–128

- Thanks, kind colleagues, BR Hasselkus, 54(1):8
- What makes an editor groan, BR Hasselkus, 54(5):455–456

#### EVIDENCE-BASED PRACTICE FORUM

- Communicating with clients, family members, and colleagues about research evidence, L Tickle-Degnen, 54(3):341–343
- Gathering current research evidence to enhance clinical reasoning, L Tickle-Degnen, 54(1):102–105
- Monitoring and documenting evidence during assessment and intervention, L Tickle-Degnen, 54(4):434–436
- Teaching evidence-based practice, L Tickle-Degnen, 54(5):559–560
- What is the best evidence to use in practice? L Tickle-Degnen, 54(2):218–221

#### FOUNDATION, THE

- ICIDH-2: A new language in support of enablement, 54(2):223–225
- Levels of research competence across the profession of occupational therapy, 54(3):344–346
- Twenty-year history of research funding in occupational therapy, 54(4):441–442

#### ISSUE IS, THE

- Authorship criteria: Opening a dialogue, EB Stern, 54(2):214–217
- Beyond the therapy model: Building our future, GS Fidler, 54(1):99–101
- Can we improve outcomes research by expanding research methods? SC Robertson, AP Colborn, 54(5):541–543

#### LETTERS TO THE EDITOR

- Case management practice, A Hafez, 54(1):114–115 [AOTA's response, 54(1):115–116] [Correction, 54(3):338]
- Relevant issues from a Latin's perspective, M Firpi, 54(4):445
- Skills training versus psychosocial occupational therapy: A reinterpretation, H Tsang, 54(4):443–444
- Value of postprofessional education, M Johnson, P Spitz, L Nelson, MT Bowman, C Devine, L Kanazawa, G Rang, 54(4):444 [Author's response, 54(4):444–445]
- We cannot hang our hat on occupation alone, MM Pelczarski, 54(1):112–113 [Author's response, 54(1):113–114]

#### PRESIDENTIAL ADDRESS

- Under renovation: Incorporating change, K Jacobs, 54(5):457–462

#### TECHNOLOGY AND OCCUPATION: CONTEMPORARY VIEWPOINTS

- Role of occupational therapy in a developmental technology model, RO Smith, 54(3):339–340

#### REVIEWER'S GUIDE

- 54(2):238–239

## Subject Index

### A

#### ACTIVITIES OF DAILY LIVING

- Clinical interpretation of "A Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in Adults With Schizophrenia," 54(2):134–136
- Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in adults with schizophrenia, 54(2):129–133
- Daily life for eight urban gay men with HIV/AIDS, 54(2):197–206
- Joint Protection Behavior Assessment: A reliability study, 54(5):516–524
- Validating the Draw-A-Man Test as a personal neglect test, 54(4):391–397

#### ACTIVITIES OF DAILY LIVING (THERAPY)

- Effects of occupational therapy services on fine motor and functional performance in preschool children, 54(4):372–380

#### ACTIVITY ANALYSIS

- Dynamic Performance Analysis: A framework for understanding occupational performance, 54(1):65–72

#### ADAPTATION, TEMPORAL

- Adaptive strategies of mothers with children with attention deficit hyperactivity disorder: Enfolded and unfolding occupations, 54(3):300–306

#### ADOLESCENT BEHAVIOR

- Time use and leisure occupations of young offenders, 54(3):315–325

#### AGING

- Evolving narratives in the course of retirement: A longitudinal study, 54(5):463–470

#### ALZHEIMER'S DISEASE

- Role perceptions of occupational therapists providing support and

education for caregivers of persons with dementia, 54(5):509-515

#### **ARCHITECTURAL ACCESSIBILITY**

Consumer empowerment through occupational therapy: The Americans With Disabilities Act Title III, 54(2):207-213

#### **ARM INJURIES**

Case Report—Use of nerve blocks in conjunction with occupational therapy for complex regional pain syndrome type I, 54(5):544-549

#### **ARTHRITIS**

Joint Protection Behavior Assessment: A reliability study, 54(5):516-524

#### **ASSESSMENT PROCESS, OCCUPATIONAL THERAPY**

Assessing father-infant interactions using the NCAST Teaching Scale: A pilot study, 54(1):44-51

Predictive power of narrative data in occupational therapy evaluation, 54(5):471-476

#### **ASSESSMENT TECHNIQS**

Brief Report—Test-retest reliability of the Purdue Pegboard Test, 54(5):555-558

### **B**

#### **BACK INJURIES**

Effects of joint mechanics training on performance of repetitive lifting, 54(2):166-175

#### **BLOCKS, THERAPEUTIC USE OF**

Case Report—Use of nerve blocks in conjunction with occupational therapy for complex regional pain syndrome type I, 54(5):544-549

### **C**

#### **CARDIOVASCULAR SYSTEM**

Relationship between performance on tests of basic visual functions and visual-perceptual processing in persons after brain injury, 54(3):326-334

#### **CAREER MOBILITY**

COTA education and professional development: A historical review, 54(4):407-412

COTA to OTR: Factors influencing professional development, 54(4):413-420

#### **CAREGIVERS**

Mothers' perceptions of child care assistance: The impact of a child's disability, 54(1):52-58

#### **CEREBROVASCULAR DISORDERS**

Discovery of disability: A phenomenological study of unilateral neglect, 54(4):398-406

Validating the Draw-A-Man Test as a personal neglect test, 54(4):391-397

#### **CERTIFIED OCCUPATIONAL THERAPY ASSISTANTS**

COTA education and professional development: A historical review, 54(4):407-412

#### **CHILD DEVELOPMENT DISORDERS**

Effectiveness of everyday occupations for changing client behaviors in a community living arrangement, 54(4):361-371

#### **CHILD REARING (PARENTING)**

Case Report—Occupational therapy in early intervention: Applying concepts from infant mental health, 54(5):550-554

Mothering young children with disabilities in a challenging urban environment, 54(3):307-314

#### **CHOICE BEHAVIOR**

Relationship between choice and quality of life among residents in long-term-care facilities, 54(5):504-508

#### **CHRONIC DISEASE**

Daily life for eight urban gay men with HIV/AIDS, 54(2):197-206

Mothers with disabilities: In their own voice, 54(3):260-268

### **COGNITION**

Clinical interpretation of "Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in adults with schizophrenia," 54(2):134-136

Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in adults with schizophrenia, 54(2):129-136

Effects of hands-on occupation versus demonstration on children's recall memory, 54(5):477-483

### **COGNITIVE ASSESSMENT**

Dynamic Performance Analysis: A framework for understanding occupational performance, 54(1):65-72

### **COMMUNITY OCCUPATIONAL THERAPY**

Role perceptions of occupational therapists providing support and education for caregivers of persons with dementia, 54(5):509-515

### **CONSUMER ADVOCACY**

Consumer empowerment through occupational therapy: The Americans With Disabilities Act Title III, 54(2):207-213

### **COORDINATION EVALUATION**

Reliability and validity of a parent questionnaire on childhood motor skills, 54(5):484-493

### **COPING**

Experience of being an occupational therapist with a disability, 54(2):183-188

### **COST CONTROL**

Occupational therapy benchmarks within orthopedic (hip) critical pathways, 54(2):155-158

### **D**

### **DECISION MAKING**

Brief Report—Debate as a teaching strategy, 54(4):427-428

### **DEVELOPMENTAL SCREENING**

Reliability and validity of a parent questionnaire on childhood motor skills, 54(5):484-493

### **DEVELOPMENTAL THERAPY**

Case Report—Occupational therapy in early intervention: Applying concepts from infant mental health, 54(5):550-554

Constructing daily routines: A qualitative examination of mothers with young children with disabilities, 54(3):252-259

### **DEXTERITY EVALUATION**

Brief Report—Test-retest reliability of the Purdue Pegboard Test, 54(5):555-558

### **DISABLED CHILDREN**

Brief Report—Effects of billing Medicaid for occupational therapy services in the schools: A pilot study, 54(4):429-433

### **DYNAMIC OCCUPATIONAL THERAPY**

Dynamic Performance Analysis: A framework for understanding occupational performance, 54(1):65-72

### **E**

### **EDUCATION**

Attitudes of occupational therapists toward spirituality in practice, 54(4):421-426

Brief Report—Debate as a teaching strategy, 54(4):427-428

Brief Report—Effects of billing Medicaid for occupational therapy services in the schools: A pilot study, 54(4):429-433

Perspectives on faculty clinical practice: Views of occupational therapy curriculum chairpersons and faculty members, 54(5):533-540

### **EDUCATION, OCCUPATIONAL THERAPY**

Brief Report—Use of the student-oriented learning outline in research education, 54(3):335-338

COTA to OTR: Factors influencing professional development, 54(4):413-420

### **ENVIRONMENT**

Developing a context-based performance measure for persons with

schizophrenia: The Test of Grocery Shopping Skills, 54(1):20-25

## **ENVIRONMENT, PHYSICAL**

Maternal management of the home as a developmental play space for infants and toddlers, 54(3):290-299

## **F**

## **FAMILY**

Parental hopes for therapy outcomes: Children with sensory modulation disorders, 54(1):36-43

## **FAMILY CHARACTERISTICS**

Constructing daily routines: A qualitative examination of mothers with young children with disabilities, 54(3):252-259

## **FINGER INJURIES**

Use of early tactile stimulation in rehabilitation of digital nerve injuries, 54(2):159-165

## **FUNCTIONAL ASSESSMENT**

Predictive power of narrative data in occupational therapy evaluation, 54(5):471-476

## **G**

## **GROSS AND FINE MOTOR SKILLS**

Clinical interpretation of "Grip Form and Graphomotor Control in Preschool Children," 54(1):18-19

Grip form and graphomotor control in preschool children, 54(1):9-17

Perceptual-motor function of school-age children with slow handwriting speed, 54(1):83-88

## **H**

## **HAND FUNCTIONS**

From hand twister to mind twister: Computer-aided treatment in traumatic wrist fracture, 54(2):176-182

## **HANDWRITING**

Clinical interpretation of "Grip Form and Graphomotor Control in Preschool Children," 54(1):18-19

Grip form and graphomotor control in preschool children, 54(1):9-17

## **HOMOSEXUALITY, FEMALE**

Understanding the experience of noninclusive occupational therapy clinics: Lesbians' perspectives, 54(1):26-35

## **HUMAN ACTIVITIES AND OCCUPATIONS**

Exploration of the perspectives of persons with schizophrenia regarding quality of life, 54(2):137-147

Mothering: Letting go of the past ideal and valuing the real, 54(3):249-251

Mothers with disabilities: In their own voice, 54(3):260-268

Orchestration of occupation: The dance of mothers, 54(3):269-280

## **I**

## **INFANT**

Assessing father-infant interactions using the NCAST Teaching Scale: A pilot study, 54(1):44-51

## **INTERVENTION PROCESS, OCCUPATIONAL THERAPY**

Playfulness in children with and without disability: Measurement and intervention, 54(1):73-82

## **J**

## **JUVENILE DELINQUENCY**

Time use and leisure occupations of young offenders, 54(3):315-325

## **L**

## **LIFE CHANGE EVENTS**

Toward an understanding of mothering: A comparison of two motherhood stages, 54(3):281-289

## **LITERATURE REVIEW**

Gathering current research evidence to enhance clinical reasoning, 54(1):102-105

## **LONG-TERM CARE**

Relationship between choice and quality of life among residents in long-term-care facilities, 54(5):504-508

## **M**

## **MATERNAL BEHAVIOR**

Mothers with disabilities: In their own voice, 54(3):260-268

## **MENTAL HEALTH**

Clinical interpretation of "A Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in Adults With Schizophrenia," 54(2):134-136

Comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in adults with schizophrenia, 54(2):129-133

Exploration of the perspectives of persons with schizophrenia regarding quality of life, 54(2):137-147

## **MOTHER-CHILD RELATIONS**

Case Report—Occupational therapy in early intervention: Applying concepts from infant mental health, 54(5):550-554

Mothering young children with disabilities in a challenging urban environment, 54(3):307-314

## **MOTIVATION**

COTA to OTR: Factors influencing professional development, 54(4):413-420

## **MOTOR CONTROL**

Case Report—Improving activities of daily living performance in an adult with ataxia, 54(1):89-96

Perceived risk as a constraint on occupational performance during hot and cold water pouring, 54(5):525-532

## **MOTOR COORDINATION**

Reliability and validity of a parent questionnaire on childhood motor skills, 54(5):484-493

## **MOVEMENT ANALYSIS**

Perceived risk as a constraint on occupational performance during hot and cold water pouring, 54(5):525-532

## **MOVEMENT DISORDERS**

Case Report—Improving activities of daily living performance in an adult with ataxia, 54(1):89-96

## **MULTIPLE SCLEROSIS**

Case Report—Improving activities of daily living performance in an adult with ataxia, 54(1):89-96

## **N**

## **NEURAL PATHWAYS**

Use of early tactile stimulation in rehabilitation of digital nerve injuries, 54(2):159-165

## **O**

## **OCCUPATIONAL SCIENCE**

Evolving narratives in the course of retirement: A longitudinal study, 54(5):463-470

Maternal management of the home as a developmental play space for infants and toddlers, 54(3):290-299

Mothering: Letting go of the past ideal and valuing the real, 54(3):249-251

Time use and leisure occupations of young offenders, 54(3):315-325

## **OCCUPATIONAL THERAPIST**

COTA education and professional development: A historical review, 54(4):407-412

## **OCCUPATIONAL THERAPY (TREATMENT)**

Constructing daily routines: A qualitative examination of mothers with young children with disabilities, 54(3):252-259

Discovery of disability: A phenomenological study of unilateral neglect, 54(4):398-406

Joint Protection Behavior Assessment: A reliability study, 54(5):516-524

Relationship between performance on tests of basic visual functions and visual-perceptual processing in persons after brain injury, 54(3):326-334

## **ORAL MOTOR FUNCTION**

Current parent education on infant feeding in the neonatal intensive care unit: The role of the occupational therapist, 54(1):59-64

## **OUTCOME AND PROCESS ASSESSMENT (HEALTH CARE)**

Critical pathway development: An integrative literature review, 54(2):148-154

## **OUTCOME MEASURE**

Predictive power of narrative data in occupational therapy evaluation, 54(5):471-476

## **OUTCOME STUDY**

Effects of occupational therapy services on fine motor and functional performance in preschool children, 54(4):372-380

## **P**

## **PAIN**

Children with burn injuries: Purposeful activity versus rote exercise, 54(4):381-390

## **PARENT-INFANT BONDING**

Assessing father-infant interactions using the NCAST Teaching Scale: A pilot study, 54(1):44-51

## **PARENTING ACTIVITIES**

Mothering: Letting go of the past ideal and valuing the real, 54(3):249-251

Mothers' perceptions of child care assistance: The impact of a child's disability, 54(1):52-58

## **PARENTS**

Evaluation of sensory processing: A validity study using contrasting groups, 54(5):494-503

## **PARENTS OF THE HANDICAPPED**

Orchestration of occupation: The dance of mothers, 54(3):269-280

## **PATIENT CARE TEAM**

Critical pathway development: An integrative literature review, 54(2):148-154

Current parent education on infant feeding in the neonatal intensive care unit: The role of the occupational therapist, 54(1):59-64

## **PATIENT DISCHARGE**

Current parent education on infant feeding in the neonatal intensive care unit: The role of the occupational therapist, 54(1):59-64

## **PEDIATRIC OCCUPATIONAL THERAPY**

Evaluation of sensory processing: A validity study using contrasting groups, 54(5):494-503

## **PEDIATRICS**

Children with burn injuries: Purposeful activity versus rote exercise, 54(4):381-390

Effects of hands-on occupation versus demonstration on children's recall memory, 54(5):477-483

Measuring knowledge of school-based occupational therapy, 54(2):189-196

## **PHYSICAL DISABILITIES, OCCUPATIONAL THERAPY**

From hand twister to mind twister: Computer-aided treatment in traumatic wrist fracture, 54(2):176-182

## **PLANNING TECHNIQUES (PROGRAMS)**

Effectiveness of everyday occupations for changing client behaviors in a community living arrangement, 54(4):361-371

## **PLAY DEVELOPMENT**

Maternal management of the home as a developmental play space for infants and toddlers, 54(3):290-299

## **PLAY THERAPY**

Effects of occupational therapy services on fine motor and functional performance in preschool children, 54(4):372-380

## **PROFESSIONAL COMPETENCE**

Brief or New—Supervisory preparedness of occupational therapists, 54(1):97-98

Brief Report—Debate as a teaching strategy, 54(4):427-428

## **PROFESSIONAL-FAMILY RELATIONS**

Mothering young children with disabilities in a challenging urban environment, 54(3):307-314

## **PROFESSIONAL PRACTICE**

Experience of being an occupational therapist with a disability, 54(2):183-188

Measuring knowledge of school-based occupational therapy, 54(2):189-196

Perspectives on faculty clinical practice: Views of occupational therapy curriculum chairpersons and faculty members, 54(5):533-540

Role perceptions of occupational therapists providing support and education for caregivers of persons with dementia, 54(5):509-515

## **PSYCHIATRY**

Effectiveness of everyday occupations for changing client behaviors in a community living arrangement, 54(4):361-371

## **PSYCHOMOTOR PERFORMANCE**

Perceptual-motor function of school-age children with slow handwriting speed, 54(1):83-88

## **PUBLIC POLICY**

Brief Report—Effects of billing Medicaid for occupational therapy services in the schools: A pilot study, 54(4):429-433

## **PURPOSEFUL ACTIVITIES**

Children with burn injuries: Purposeful activity versus rote exercise, 54(4):381-390

## **Q**

## **QUALITATIVE METHOD**

Daily life for eight urban gay men with HIV/AIDS, 54(2):197-206

Evolving narratives in the course of retirement: A longitudinal study, 54(5):463-470

Exploration of the perspectives of persons with schizophrenia regarding quality of life, 54(2):137-147

Toward an understanding of mothering: A comparison of two motherhood stages, 54(3):281-289

## **QUALITY OF HEALTH CARE**

Occupational therapy benchmarks within orthopedic (hip) critical pathways, 54(2):155-158

## **QUALITY OF LIFE**

Parental hopes for therapy outcomes: Children with sensory modulation disorders, 54(1):36-43

Relationship between choice and quality of life among residents in long-term-care facilities, 54(5):504-508

## **R**

## **REIMBURSEMENT MECHANISMS**

Brief Report—Effects of billing Medicaid for occupational therapy services in the schools: A pilot study, 54(4):429-433

## **RELIABILITY OF TESTS**

Brief Report—Test-retest reliability of the Purdue Pegboard Test, 54(5):555-558

## **RESEARCH**

Attitudes of occupational therapists toward spirituality in practice, 54(4):421-426

## **RISK TAKING**

Perceived risk as a constraint on occupational performance during hot and cold water pouring, 54(5):525-532

## **ROLE**

Perspectives on faculty clinical practice: Views of occupational therapy curriculum chairpersons and faculty members, 54(5):533-540

## **ROLE DELINEATION**

Brief or New—Supervisory preparedness of occupational therapists, 54(1):97-98

## **S**

## **SCHOOL BASED OCCUPATIONAL THERAPY**

Measuring knowledge of school-based occupational therapy, 54(2):189-196

## **SENSORIMOTOR THERAPY**

Use of early tactile stimulation in rehabilitation of digital nerve injuries, 54(2):159-165

## **SENSORY INTEGRATION**

Evaluation of sensory processing: A validity study using contrasting groups, 54(5):494-503

Parental hopes for therapy outcomes: Children with sensory modulation disorders, 54(1):36-43

## **SINGLE CRAFT ASSESSMENT TOOL**

Clinical interpretation of "Grip Form and Graphomotor Control in Preschool Children," 54(1):18-19

Grip form and graphomotor control in preschool children, 54(1):9-17

## **SKILLS ASSESSMENT**

Developing a context-based performance measure for persons with schizophrenia: The Test of Grocery Shopping Skills, 54(1):20-25

## **SOCIALIZATION**

Understanding the experience of noninclusive occupational therapy clinics: Lesbians' perspectives, 54(1):26-35

## **T**

## **TEACHING METHODS**

Effects of hands-on occupation versus demonstration on children's recall memory, 54(5):477-483

## **TECHNOLOGY**

From hand twister to mind twister: Computer-aided treatment in traumatic wrist fracture, 54(2):176-182

## **V**

## **VISION**

Relationship between performance on tests of basic visual functions and visual-perceptual processing in persons after brain injury, 54(3):326-334

## **W**

## **WORKING CONDITIONS**

Understanding the experience of noninclusive occupational therapy clinics: Lesbians' perspectives, 54(1):26-35

## **WORK HARDENING**

Effects of body mechanics training on performance of repetitive lifting, 54(2):166-175
